

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

MESSAGES FROM THE GOVERNOR.

The following message from the Governor was received and read:

Executive Office,
Lansing, May 18, 1905.

To the President of the Senate:

Sir—I desire to call the attention of the Legislature to some correspondence I have had relating to the removal of the remains of Governor Stevens T. Mason. It is the wish of the sister and daughter of Governor Mason that the city of Detroit be made the final resting place of their distinguished relative and I submit herewith a copy of a letter I addressed to Hon. George P. Codd, Mayor of Detroit, also a copy of his reply, together with a copy of the Mayor's message to the Common Council and the resolution adopted.

“Hon. George P. Codd, Mayor of Detroit, Detroit, Michigan:

“Dear Mr. Codd—I enclose copies of letters relating to the removal of the remains of Governor Stevens T. Mason to the city of Detroit. I have thought of bringing the matter to the attention of the Legislature, but deemed it best to communicate with you before doing so. Should the city of Detroit make arrangements for the burial place, I shall send a message to the Legislature recommending the removal of the remains of Governor Mason by the State of Michigan to the city of Detroit.

“Such action would, in my opinion, be a just recognition of one whose services and record are historical in the early annals of our State.

“Very respectfully,

“FRED M. WARNER,
“Governor.”

"May 4, 1905."

"Hon. Fred M. Warner, Governor, Lansing, Michigan:

"Dear Governor—I enclose you herewith a copy of my message to the Common Council, and their action thereon, relative to the removal of the remains of Governor Stevens T. Mason to our city, and have conferred with the Commissioner of Parks and Boulevards, who will set aside a suitable place in Capitol Park, the site of the old capitol, for this purpose.

"Will be pleased to co-operate with you in any way. I take it, you will bring this matter to the attention of the Legislature and advise me whatever action you desire taken from this end.

"Respectfully yours,

"GEORGE P. CODD."

"May 11, 1905."

"To the Honorable, the Common Council:

"Gentlemen—Governor Warner, in conjunction with the Legislature is making preparations to have the body of the late Governor Stevens Thomson Mason removed to Michigan soil. Gov. Mason was Michigan's first Governor and occupies a unique position in the history of the State. His remains now rest in a vault in New York City, the contemplated destruction of which makes it necessary that the body be removed from there within a short time.

"During Gov. Mason's regime, Detroit was the capital of the State and the old capitol building stood on the present site of what is now Capitol Park. Gov. Warner and myself are agreed that it would be most fitting that his remains should finally rest in that spot where an appropriate monument may be erected by the Legislature.

"I would urge that the necessary authority be granted by the Common Council immediately in order to enable the Governor to carry out the contemplated plans. I would also suggest that when the remains are brought to Detroit, arrangements be made for suitable ceremonies.

"Respectfully submitted,

"GEORGE P. CODD,
"Mayor."

"By Ald. Heineman:

"Resolved, That a committee of five members of the Council be appointed to act with his Honor, the Mayor, in the matter of the removal to Detroit of the remains of Stevens T. Mason, the first Governor of the State of Michigan;

"Resolved further, That the Mayor be and is hereby requested to inform the Governor of the State that the Common Council is agreeable to the offer of a suitable place in Capitol Park, or such other location as may be deemed proper for the above stated purpose;

"Resolved further, That the Commissioner of Parks and Boulevards be and is hereby instructed to set aside a suitable place in said Park for the above named purpose."

"(Adopted.)"

I would recommend that the Board of State Auditors be authorized to complete arrangements for the removal of the remains from the present burial place in New York City and for the interment of the remains in Detroit and if this action is taken it will be necessary to provide for the expense incurred.

Very respectfully,
FRED M. WARNER,
Governor.

By unanimous consent

Mr. Smith offered the following resolution:

Senate Resolution No. 58.

Whereas, Stevens Thomson Mason, the fourth Governor of the Territory and the first Governor of the State of Michigan, died outside of the State, and his remains have since reposed in the vault of a cemetery now near the center of the City of New York, which is about to be destroyed; and

Whereas, Governor Mason's patriotic services to the State, his tireless energy in behalf of her interests, and notably his great services in the establishment of and defending the interests of the now great University of Michigan in its infancy, and in projecting the development of her mineral wealth, and the maintenance of her integrity are inseparably connected with the history of the State of Michigan, and are a part of the foundation of her prosperity; and

Whereas, The Common Council of the city of Detroit has tendered for the reception of the remains of Governor Mason a lot in Capitol Park, the site of the old capitol building; therefore

Resolved by the Senate (the House of Representatives concurring), That the Legislature of the State of Michigan deems it eminently fitting that the mortal remains of Governor Mason should rest in the soil of the State he loved and served so well; and

Resolved, That the remains of Governor Mason be brought to Michigan at the time of the annual session of the Michigan Pioneer and Historical Society, June 7 and 8, 1905, and that the Governor is hereby authorized to appoint three Commissioners to arrange for the transfer and burial of the remains; and be it further

Resolved, That representatives of the family of former Governor Mason be invited to attend the ceremonies and that committees from the Senate and House of Representatives be appointed to act with a committee of the Common Council of the City of Detroit, in preparing suitable ceremonies; and be it further

Resolved, That the Board of State Auditors is hereby authorized to audit the expenses of transferring the remains, the traveling expenses of the members of Governor Mason's family and the members of the commission;

The resolution was unanimously adopted.

Whereas, Stevens Thomson Mason, the fourth Governor of the Territory and the first Governor of the State of Michigan, died outside of the state, and his remains have since reposed in the vault of a cemetery now near the center of the City of New York, which is about to be destroyed; and

Whereas, Governor Mason's patriotic services to the state, his tireless energy in behalf of her interests, and notably his great services in the establishment of and defending the interests of the now great University of Michigan in its infancy, and in projecting the development of her mineral wealth, and the maintenance of her integrity are inseparably connected with the history of the state of Michigan, and are a part of the foundation of her prosperity; and

Whereas, The Common Council of the City of Detroit has tendered for the reception of the remains of Governor Mason a lot in Capitol Park, the site of the old capitol building; therefore

Resolved by the Senate (the House of Representatives concurring), That the Legislature of the state of Michigan deems it eminently fitting that the mortal remains of Governor Mason should rest in the soil of the state he loved and served so well; and

COMMUNICATIONS FROM STATE OFFICERS.

The following communication from the Commissioner of Insurance was received and read:

Insurance Department,
Lansing, May 24, 1905.

To the President of the Senate:

Sir—In an opinion in the case of King vs. Concordia Fire Insurance

Company, handed down on Monday of this week, the Supreme Court of this State declared unconstitutional Act 149 of the Public Acts of 1881, whereby the insurance policy commission created by said act was authorized to draft a standard fire insurance policy for use in this state.

The standard fire policy drafted and adopted by the said commission as provided by said act has been the only form of policy used in Michigan by companies operating herein, except farmers' mutual fire insurance companies, during the past 20 years. It is similar to the standard policy adopted and used in many of the other states of the Union, and is in line with the increasing tendency to secure uniformity in these contracts throughout the country.

Although the Supreme Court has not until now found it necessary to pass upon the constitutionality of the legislation authorizing the adoption by a commission of a standard form of policy, numerous cases involving questions growing out of the use of that policy have been passed upon by that tribunal and the law relating to the policy is, therefore, well settled, thus minimizing the need for further litigation in connection with the interpretation and construction of the conditions and provisions of the policy.

The Supreme Court declared the act of 1881 unconstitutional for the reason that said act sought to delegate to a commission the power to enact a policy contract by which both the companies and the people should be bound. To be binding and constitutional a standard form of policy should be enacted by the legislature in connection with provisions for its enforcement.

In order to meet the serious emergency due to the court decision above mentioned, the Attorney General has prepared, at the request of the Commissioner of Insurance, a bill which embodies the precise form of fire insurance policy that has been used in Michigan since 1887.

In my judgment the exigencies of the situation render it extremely advisable that this bill be enacted into a law to take immediate effect so that the rights of the property owners of Michigan may be preserved under the form of policy contract which was prepared by representatives of the state for the express purpose of safeguarding the interests of the assured.

Very respectfully,

JAMES V. BARRY,

Commissioner of Insurance.

The communication was referred to the Committee on Insurance.

The question being on the passage of the bill,

Mr. Ashley asked unanimous consent to withdraw the bill,

Whereupon the President pro tem. made the following announcement:

This bill, now on the Order of Unfinished Business, is practically, with the addition of a few amendments, the same and desires to effect the same results as the one previously presented by the same Senator and now in the committee on Cities and Villages.

On careful examination of the bill in question I am led to believe that in the power with which it invests certain boards in the city of Detroit it would be in conflict with the powers now by them enjoyed under the provisions of the present city charter.

That by reason of the last section in said bill which asks for the repeal of any act in conflict therewith that the passage of the bill would operate as an amendment to the city charter, and not having been previously noticed as required by Senate Rule 22, is not properly before the Senate.

Mr. Doherty moved that when the Senate adjourn today, it stand adjourned until tomorrow at 8:30 o'clock a. m.

Whereas, Stevens Thomson Mason, the fourth Governor of the Territory and the first Governor of the state of Michigan, died outside of the state, and his remains have since reposed in the vault of a cemetery now near the center of the city of New York, which is about to be destroyed; and

Whereas, Governor Mason's patriotic services to the state, his tireless energy in behalf of her interests, and notably his great services in the establishment of and defending the interests of the now great University of Michigan in its infancy, and in projecting the development of her mineral wealth, and the maintenance of her integrity are inseparably connected with the history of the state of Michigan, and are a part of the foundation of her prosperity; and

Whereas, The common council of the city of Detroit has tendered for the reception of the remains of Governor Mason a lot in Capitol Park, the site of the old capitol building; therefore

Resolved by the Senate (the House of Representatives concurring), That the legislature of the state of Michigan deems it eminently fitting that the mortal remains of Governor Mason should rest in the soil of the state he loved and served so well; and

Resolved, That the remains of Governor Mason be brought to Michigan at the time of the annual session of the Michigan Pioneer and Historical Society, June 7 and 8, 1905, and that the Governor is hereby authorized to appoint three commissioners to arrange for the transfer and burial of the remains; and be it further

Resolved, That representatives of the family of former Governor Mason be invited to attend the ceremonies and that committees from the Senate and House of Representatives be appointed to act with a committee of the common council of the city of Detroit, in preparing suitable ceremonies; and be it further

Resolved, That the Board of State Auditors is hereby authorized to audit the expenses of transferring the remains, the traveling expenses of the members of Governor Mason's family and the members of the commission;

Very respectfully,

Clerk of the House of Representatives.

Senate Resolution No. 58, entitled

Whereas, Stevens Thomson Mason, the fourth Governor of the Territory and the first Governor of the state of Michigan, died outside of the state, and his remains have since reposed in the vault of a cemetery now near the center of the city of New York, which is about to be destroyed; and

Whereas, Governor Mason's patriotic services to the state, his tireless energy in behalf of her interests, and notably his great services in the establishment of and defending the interests of the now great University of Michigan in its infancy, and in projecting the development of her mineral wealth, and the maintenance of her integrity are inseparably connected with the history of the state of Michigan, and are a part of the foundation of her prosperity; and

the reception of the remains of Governor Mason a lot in Capital Park, the site of the old capitol building; therefore

Resolved by the Senate (the House of Representatives concurring). That the Legislature of the State of Michigan deems it eminently fitting that the mortal remains of Governor Mason should rest in the soil of the state he loved and served so well; and

Whereas, Governor Mason's patriotic services to the state, his tireless energy in behalf of her interests, and notably his great services in the establishment of and defending the interests of the now great University of Michigan in its infancy, and in projecting the development of her mineral wealth, and the maintenance of her integrity are inseparably connected with the history of the State of Michigan, and are a part of the foundation of her prosperity; and

Whereas, The common council of the city of Detroit has tendered for the reception of the remains of Governor Mason a lot in Capital Park, the site of the old capitol building; therefore

Resolved by the Senate (the House of Representatives concurring), That the legislature of the State of Michigan deems it eminently fitting that the mortal remains of Governor Mason should rest in the soil of the state he loved and served so well; and

Resolved, That the remains of Governor Mason be brought to Michigan at the time of the annual session of the Michigan Pioneer and Historical Society, June 7 and 8, 1905, and that the Governor is hereby authorized to appoint three commissioners to arrange for the transfer and burial of the remains; and be it further

Resolved, That representatives of the family of former Governor Mason be invited to attend the ceremonies and that committees from the Senate and House of Representatives be appointed to act with a committee of the common council of the city of Detroit, in preparing suitable ceremonies; and be it further

To the President of the Senate:

Sir—I am instructed by the House to transmit to the Senate the following concurrent resolution:

House Resolution No. 115.

Whereas, The first International Good Roads Congress ever held was held at Port Huron, Michigan, in July, 1900; and

Whereas, There the first good roads train was used in the building of sample roads; and

Whereas, This was the beginning of the good roads work, the result of prior agitation which has led up to the adoption of the state reward plan for good roads in Michigan; and

Whereas, This sample road was built in Port Huron township, which was at that time under the statute labor system; and

Whereas, Port Huron Township has changed to the cash tax system, and every year since has built a piece of macadam road; and

Whereas, Port Huron township is proud of what they have done, and believe that it is the proper thing to do, desire to show to all the people of Michigan, and as many others as are interested, the beneficent results of such system; so they ask, through a resolution of their township board, seconded by a similar resolution from the city council of the city of Port Huron, praying that this Legislature by concurrent resolution will invite the American Road Makers, a national good roads organization founded by Horatio S. Earle, the promoter of the aforesaid Congress and originator of the good roads train, to meet at Port Huron, Michigan, Tuesday, Wednesday and Thursday, August 29, 30 and 31, 1905, to assist us in investigating the cash tax system for roads and celebrate the beginning of State Road Reward Plan, also founded in Michigan; therefore be it

Resolved, That the House (the Senate concurring) does hereby invite the American Road Makers to hold their annual meeting at Port Huron, Michigan, at the time mentioned in the resolutions of the township board of Port Huron township, seconded by another by the city of Port Huron; and further be it

Resolved, That a copy of this resolution be forwarded to the chief officers of the American Road Makers; President, Hon. James H. McDonald, Hartford, Conn., and Col. W. L. Dickinson, Secretary, Springfield, Mass., also a copy to every newspaper in the state.

Which has been adopted by the House, and in which the concurrence of the Senate is respectfully asked.

Very respectfully,

CHARLES S. PIERCE,
Clerk of the House of Representatives.

The question being on concurring in the adoption of the resolution,
The resolution was adopted.

To the President of the Senate:

Sir—I am instructed by the House to transmit to the Senate the following concurrent resolution:

House Resolution No. 114.

Whereas, The United States of America will celebrate the three hundredth anniversary of the settlement of Jamestown, Virginia, May 13, 1607—the first English settlement on the continent of North America—by an historical, educational and international naval, military and marine exhibition; and

Whereas, The President of the United States of America has issued his proclamation declaring and proclaiming that there shall be inaugurated in the year 1907, at or near the waters of Hampton Roads, in the state of Virginia, an international naval, marine and military celebration, beginning May 13 and ending not later than November 1, 1907, for the purpose of commemorating in a fitting and appropriate manner the birth of the American nation—the first permanent settlement of English speaking people on the American continent; and

Whereas, The President of the United States of America by said proclamation has invited all the nations of the earth to take part in the commemoration of the event which has had a far reaching effect on the course of human history, by sending their naval vessels to the said celebration, and by making such representations of their military organizations as may be proper; and

Whereas, The several states of the American union are recognizing the importance of this celebration as a great historical and educational benefit to the American people and are signifying their interest in the same by making proper and suitable appropriations for their respective

buildings to be erected upon exposition grounds for a display of their several industrial, commercial, educational and historical institutions and products of their respective states, and a suitable and convenient rendezvous for their home people; and

Whereas, Some eleven states so far visited by the special commissioner of the Jamestown Exposition Company have made appropriations for buildings to be erected on exposition grounds, indicating great state and national interests in the success of this international project; and

Whereas, We believe that the commonwealth of Michigan, one of the largest and most prosperous states in the American union, noted for its industrial and commercial progress, its mineral wealth, its educational system, its splendid history, and the magnificence of its future, is exerting a great and wholesome influence in all that tends for the uplifting of mankind, and the progress of the nation; therefore be it

Resolved by the House of Representatives (the Senate concurring), That the State of Michigan should take part and be represented in some appropriate manner in this great and patriotic celebration;

Resolved further, That a commission composed of two members on the part of the Senate and three members on the part of the House of Representatives be appointed by the Governor to investigate and inquire into the plans of the Jamestown Exposition Company; the character and scope of the said proposed celebration, and report to the Governor not later than December 1, 1906, the result of their investigations, with such recommendations as they may see fit to make in the premises.
